Further privacy and data protection information will be provided if you are contacted for any of these surveys. You might also be contacted as part of an audit to check that the survey has been undertaken properly.

Graduate Outcomes – HESA

The College will hold your contact details after you graduate in order for you to be contacted to complete the Graduate Outcomes survey.

Your contact details will be passed to the Higher Education Statistics Agency Limited (HESA) and organisations contracted to undertake the Graduate Outcomes survey. The survey contractors will only use your contact details for the survey and will delete them when the survey is closed. HESA may hold your contact details for further Graduate Outcomes surveys where these are in the public interest.

Responses to the Graduate Outcomes survey will be used to create statistics to meet the public interest in the outcomes of higher education. Your responses will also be made available to the College, and we may choose to add additional questions to the survey for College use. Information from third parties (such as your parent, or your provider, if you are in further study) might be used to complete sections of the surveys if you can't be contacted.

For more information about the Graduate Outcomes survey visit the dedicated website www.graduateoutcomes.ac.uk

For more information about HESA's data protection compliance, including contact details and your rights, please see HESA's [Privacy Information](#)

Information may also be passed between various sections of the College for operational reasons and may be disclosed to external agencies to which we have obligations for example Government Agencies and associated Statutory Bodies (e.g. Department for the Economy), College partner organisations, Higher Education Statistics Agency, Government Survey & Research Organisations. We may also disclose information to legal representatives.
